

## Payment Options for your LBA Program Fees

You will pay for your LBA program fees the same way that you pay your tuition fees—by charges posted to your student account.

### WEBCHECK

Pay your fees by check over the web using WebCheck.

To make a payment by webcheck, access your Student Invoice Statement, by going to <http://oscar.gatech.edu>. Select menu option **Secured Access Login** and enter your student ID number and PIN. Go into your Account Summary, by selecting **Student Services and Financial Aid**, then **Registration**, then **Student Invoice Statement and Web Payment Options**. At the bottom of the invoice page you'll see the link to Webcheck. Web-Check is the preferred payment method.

### CREDIT CARD

In an effort to reduce administrative overhead, Georgia Tech will no longer accept Visa or Discover credit cards as a payment method. Arrangements have been made with a third party vendor to accept American Express and MasterCard when payment is made online through the Oscar system. There is a service fee of 2.75% assessed by the vendor for their service that will be in addition to the tuition, fee, room, and meal payment.

### WIRE TRANSFER
